

# PWDsNE

## COME JOIN US FOR WATER CAMP '09

When: June 25 – 27, 2009

Where: The Laukka's Home, Hope, Maine

Directions will be sent with conformation of your registration

### Thurs., June 25 - Junior/Apprentice Level

- This day is for teams that are working at the Junior/Apprentice levels. We'll cater the day to the teams in attendance but will cover things like reliable retrieves, control with enthusiasm, common handler errors as well as going over the individual exercises.
- You will definitely get more out of this day if your dog is retrieving. Please contact Chris Dostie at [downeastpws@gmail.com](mailto:downeastpws@gmail.com) for some hints to get going with retrieve training.

### Fri., June 26 - Apprentice/Working Level

- This day is for teams that have the Apprentice level skills in place and just need to pull them together. We will work on taking those skills to the next level.

### Sat., June 27 - Courier level

- These teams should have all of the Working level skills well in place. We will work on the skills to get everyone headed on a successful path towards their CWDX.

---

Cost for PWDsNE members: \$65 for first day of participation, \$30 per add'l day;

Non –members \$80 first day of participation, \$45 per add'l day

We'll provide light breakfast & lunch.
